Sir,

Adverting to G O No L 5953-6/w1 42-48-22 dated 1-12-48 sanctioning the scheme for connecting Bull Temple Road and with Narasimharaja Colony and directing that the work be taken up and completed immediately, I have the honour to inform you that under Section 18 of the City of Bangalore Improvement Trust Board Act, the scheme will have to be notified, and awards passed, and possession taken of the properties under the Land Acquisition Act This is being attended to

2 In the meantime, it is necessary that as in the case of the Industrial Suburb and the Jayanagar where works are being got done under the piece work system, permission be given to push the works through, this scheme by piece work at rates that have been approved by Government in respect of works in Jayanagar Extension and the Industrial Suburb

3 This will eliminate the time that will be taken up by the calling in of tenders and the acceptance or otherwise of the tenders again going up The works could also be distributed among several piece workers and work done expeditiously as desired by Government

4 I request therefore that approval of Government be obtained and communicated early authorising us to proceed with the works on piece work system at the rates passed by Government in regard to the works in the Industrial Suburb and
